The client and the company agree as follows:

Dog Ownership and Health:

Initials (Initial) Client represents that they are the legal owner of the Dog.

Initials (Initial) Client represents that the Dog is up to date on Rabies, Distemper, Parvo and Bordetella vaccinations and that the Client will send proof of vaccination records prior to the first class. The only exception for being up to date in all of the above vaccinations is for puppies that are too young to be fully vaccinated. Puppies will still be required to have appropriate up to date vaccinations with proof. The Client also represents that they will stay up to date on vaccinations for the Dog and send records to the Company in a timely manner as they are updated.

Initials (Initial) Client represents and warrants that the Dog is and, at all times when training with the Company, up-to-date on their vaccines, in good health, and free of fleas, parasites, and infectious diseases. The Client agrees to promptly inform the Company of any health or behavioral concerns that may impact the dog's ability to participate in training activities.

Training Services:

Initials (Initial) While the Company makes every reasonable effort to support the Client in training the dog to meet the client's training and behavior modification goals, the Client understands and agrees that the Company offers no guarantees or warranties of the Dog's performance or behavior. The Client also recognizes that animal behavior is unpredictable, and animals may develop unforeseen health or temperament issues, or turn out to be unsuited to the Client's expectations or goals.

Initials (Initial) The Company will provide verbal instruction and demonstrations during the session leaving 10-15 minutes at the end for the Client and others in the class to ask questions. The Company may also send homework, as needed, to supplement the information in the training session. The Client understands they must follow the company's instructions and work with the dog daily since training is an ongoing process and will rely on consistency.

Initials (Initial) The Company will provide consultation and demonstration solely for the dogs registered for class. If instruction is wanted for extra dogs, they must be registered and their place in class must be paid for separately.

Emergency Veterinary Treatment

Initials (Initial) In the event the dog requires veterinary care, the Company agrees to make reasonable efforts to contact the Client prior to seeking treatment and to use the veterinarian of the Client's choice; however, the Client acknowledges that this may not be practical in some cases and therefore authorizes the Company to obtain emergency veterinary care for the dog in the event that the Company determines, in its discretion, that such treatment is needed. The Client agrees that any veterinarian chosen by the Company for emergency treatment of the Dog may rely on this Agreement as authorization to treat the Dog. The Client shall be fully responsible for all costs of veterinary treatment. In the event the Company pays for treatment, the client agrees to promptly reimburse the Company for all costs of treatment

Marketing

Initials (Initial) The Client hereby authorizes the company to use the Client's and the Dog's name, image, and likeness, including any pictures or videos of the dog and/or the client taken while the Company is training the dog, at any time, in any form, in the Company's media and marketing, or promotional materials including, without limitation, social media posts.

Release of Liability, Assumption of Risk, Indemnification:

Initials (Initial) Client acknowledges and understands the risks associated with owning and/or training a dog, including without limitation the risk of dog bites to the client or others, property damage by the Dog, needing to rehome the Dog, and any attendant emotional or physical distress or injury from raising and/or training the Dog. Client, on behalf of itself, its heirs, assigns, and personal representatives, knowingly and voluntarily assumes these risks by entering into this agreement and hereby releases and discharges the Company, its employees, managers, members and each of their respective heirs, assigns, and legal representatives (collectively, the "releasees"), from any and all liability for injury, illness, death, disability, loss, or damage arising from or related to any services performed by the Company. The Client agrees that this constitutes a full and unconditional release of all liability of the Company to the fullest extent permitted by applicable law.

Initials (Initial) The Client agrees to indemnify, defend and hold harmless the releasees from any and all losses, damages, liabilities, claims, expenses (including reasonable attorneys' fees) of any nature incurred by any of the releasees arising out of or related to this Agreement, any unlawful, negligent or otherwise tortious acts or omissions by the client or persons acting on behalf of the client, any breach of this Agreement by the Client, or any actions by the Dog.

Attendance & Rescheduling Policy:

Initials (Initial) The Client understands that they will not be given an opportunity to make up any missed session unless exception is given by the trainer on a case by case basis. Homework and notes from missed sessions will still be shared by the Company in the Client's absence.

Initials (Initial) The Client understands that the Company may postpone a class in the case of illness, inclement weather, family emergencies or any major issues with the facility we rent. The Company will offer a makeup class date with no additional charge.

Initials (Initial) The Client may have the animal withdrawn from training at any time, however, once training has begun; all fees are non-refundable. Exceptions will be considered on a case by case basis at the Company's sole discretion.

Initials (Initial) The Company's obligations for training shall terminate if the Client or the dog is determined by the Company to be a distraction or a danger to any trainers, other clients, or their dogs. Training can also be terminated if the Client is unable or unwilling to follow all policies set forth in the Agreement. Refunds will be considered on a case by case basis at the Company's sole discretion.

Initials (Initial) The Client understands that all training services are good only for the class that the Client and the Dog are signed up for starting on **Project Date**.

Class Policy:

Initials (Initial) The Client will be responsible for purchasing all necessary equipment that the trainer recommends for training. A proper fitting harness and 4 to 6 ft flat leash are recommended for training. No shock collars, bark collars, prong collars, choke collars, slip leads, retractable leashes or physical corrections will be permitted in class.

Initials (Initial) Client represents that all class participants are 14 years of age or older if participating alone. Participants 13 years and younger must be supervised by an adult. The Client also represents that participants will be respectful of the class being taught and not disruptive to any other participants and their dogs. Dogs will not be permitted to greet other dogs or humans without permission and the Client represents that they will avoid contact with others both themselves and with the Dog. If the Client or the Dog are disruptive to class, the trainer may ask you to vacate and will arrange for alternate training services or a partial refund at the Company's discretion.

Initials (Initial) Client represents that their dog is not in heat at the time of any classes. If their dog is in heat, Client will notify the trainer and will not be permitted to attend class at any point during the Dog's heat cycle.

Initials (Initial) Client represents that their entire party will arrive on time and stay for the full class and will not disrupt the class. The Client agrees to be aware of other Clients and their dogs when entering and exiting the space and to make a reasonable effort to avoid interactions between dogs by keeping dogs on leash and maintaining space between them. Failure to keep the dogs separate could lead to negative interactions between them for which the Client takes full responsibility and may also be asked to vacate class.

Miscellaneous:

Initials (Initial) In the event either party deems it necessary to employ legal counsel to protect its rights under this agreement, the prevailing party is entitled to reimbursement of all expenses including, but not limited to costs and reasonable attorney's fees.

This training agreement and Addendum A represents the entire agreement between the parties and supersedes any prior agreement or understanding related to the subject matter hereof. The terms and conditions set forth in this agreement cannot be modified or changed in any way unless agreed to by both parties in writing.

If any provision of this Agreement is held invalid or unenforceable, such invalid or unenforceable provision shall be deemed omitted from this Agreement, but such invalidity or unenforceability shall not affect any other provision of this Agreement and all remaining provisions shall remain in effect.

The Client and Company agree that any matters arising out of this Agreement (including its interpretation and enforcement) shall be governed exclusively by the laws of the State of Colorado, without giving effect to its conflicts of laws principles and that any dispute or action arising out of or related to this Agreement may be brought only in a court of competent jurisdiction in the State of Colorado. The parties hereby irrevocably submit to the personal jurisdiction of such courts and irrevocably waive any argument that such courts constitute an inconvenient forum.

I have read, fully understand and agree to the above contract terms.
